2018 SUMMER SKIP A PAYMENT

Why not enjoy summer to the fullest by skipping a payment on your qualifying PCU loan? For a $35.00 processing fee, you can skip your loan payment for July or August, freeing up some cash for that much needed summer vacation, or whatever you choose to spend it on. To skip either your July or August payment, you simply need to complete the form below and return the bottom portion of this letter to the credit union or process the request online.

Process your skip-a-pay through online banking! Look for the ☑️ next to your loan within It’s Me 247. If you process your skip-a-pay online, please do not mail in the signed form below.

Please submit the skip-a-pay request at least five business days prior to your due date. This allows the credit union time to stop any automatic payments for the month skipped.
